National Night Out

National Night Out (NNO) is a community - police partnership held on the first Tuesday of every August since 1984 with the goal of increasing awareness about police programs in communities such as drug prevention, town watch and other anti-crime efforts. Initially communities held lights-on vigils. Now, many communities hold block parties, festivals and other events to help bring neighbors together. **Find events in your neighborhood at:** www.portlandonline.com/oni/nno.

Eye on The Pearl: Welcome Street of Dreams!

By: Patricia Gardner, Planning & Transportation Chair

The 2009 Street of Dreams is in the Pearl District. During the month of August, thousands of people will be visiting the Pearl to look at various units. They will see an urban, upscale model of life in the Pearl District.

We who live and work here know life in the Pearl is very good indeed. As people who are unfamiliar with the Pearl come visit, we can all act as ambassadors to make their time here a better experience for everyone. We can also talk about how this is such a great mixed-

income neighborhood with many low-income options.

Expecting increased activity in the Pearl, the neighborhood association organized a foot patrol this summer to help keep an eye out. If you see a group of neighbors with orange vests walking about, please

feel free to ask them questions or bring any issues to their attention.

The month of August will be an exciting time in the Pearl. We will have many visitors who may need directions or recommendations. As you help them, keep in mind, you may be helping a future neighbor!
