

NORTHWEST CLEAN SWEEP

It's time again to clean the streets in your neighborhood! The Portland Office of Transportation and Neighbors West-Northwest have successfully collaborated for the past 15 years to clean the streets in NW Portland. Not only do these efforts keep our streets safe and attractive, regular removal of leaves and other debris is necessary to prevent storm water drains from clogging, which can result in street flooding.

Important information you need to know:

- City crews will place barricades along streets scheduled to be cleaned at least 24 hours prior to the sweep for each area.
- **Please remove your vehicle from the scheduled sweep area by 7:30 a.m.** Vehicles may park in the area again after 10:00 a.m.
- **All vehicles remaining in the designated sweep area after 7:30 a.m. will be towed at the owner's expense.**
- If you plan to be out of town on the sweep date, please make arrangements to have someone move your vehicle.

If your vehicle is towed, contact Portland Police Auto Records at 503-823-0044 after 10:30 a.m. Expect to pay a minimum of \$213.

Citation \$70 ■ Tow Fee \$124 ■ Storage \$19

- Fees subject to change
- Fees higher for vehicles exceeding 10,000 GVW

MAKE A DIFFERENCE KEEPING YOUR NEIGHBORHOOD CLEAN

- Check your mailbox for notices announcing street cleaners on your block.
- Remove grass or weeds that grow against the curb line. This will reduce the amount of dirt in front of your house and improve water drainage.
- **Properly trim your street trees so that the sweeper can clean next to the curb without damaging the trees. Please contact Urban Forestry Division at 503-823-4489 for a free permit.**
- If you see a **no parking barricade** that has fallen down, please pick it up and place it facing the street.
- Organize or participate in neighborhood clean-ups. Contact Neighbors West-Northwest at 503-823-4288.

Your cooperation and patience are appreciated!
